Installation Manuelle

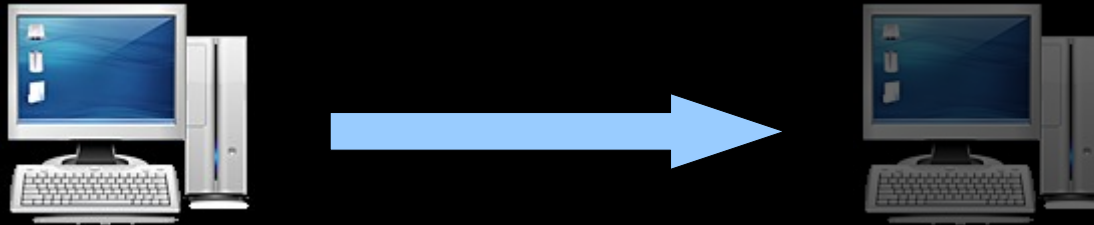

Machine Virtuelle

A digital tunnel of green light rays and particles. The scene is composed of numerous vertical green lines of varying thickness and brightness, creating a sense of depth and perspective. The lines appear to be made of many smaller, overlapping segments, giving the overall effect a textured, almost crystalline appearance. The color is a vibrant, slightly desaturated green. The perspective is from a low angle, looking down a long, narrow corridor that recedes into the distance. The lighting is soft and diffused, with a slight glow emanating from the far end of the tunnel, where the lines seem to converge and become more densely packed. The overall mood is futuristic and technological.
